

Thank you for having me on this day of prayer and repentance. It's an honor to be able to do this not only for the people of God, but for America. If you will please join me and take places of humility and contrite heart, face down or kneeling position before the Lord. If you're not physically able to do this or if you're lying in bed right now, do what you can right where you're at and God will honor you right there.

Father, in the name of Jesus, we come before your throne as your army. Humble and contrite hearts on this day of repentance. Father, we step on to the battlefield of righteousness and walk in the spirit of unity with one heart, one mind, and one accord, to disarm and take away any illegal right the enemy has over your people and your country, the United States of America.

Father, we decree and declare that we'll take back what belongs to you through this focused repentance we're engaged in. Father, in the name of Jesus, we repent for not having humble hearts. Walking in pride. Having haughty hearts and thinking because we're in leadership we don't have to repent. We repent for not walking in the spirit of repentance daily and for not disciplining others to do the same. Knowing that effective warfare starts the focus of repentance. Father, in the name of Jesus, we repent for engaging in friendly fire, for attacking others in the body of Christ and for shooting our own wounded because we may not agree with that person.

We repent for our arrogance, murdering others with our words when Your word says "Thou shall not murder." Father, in the name of Jesus, we repent. For having a religious, legalistic, and critical spirit, for creating chaos, for aiding the kingdom of darkness and committing spiritual treason by dividing the brethren. Father, in the name of Jesus, we repent for not operating in a spirit of unity, love, mercy, and grace. Allowing our love to grow cold and not showing the same love, mercy and grace that you have shown us.

Father, we ask that you would heal the divide in your people. Give us the strength, the maturity, and discernment to push away everything that is separating us from you, from one another, and from operating as the one true army you have chosen us to be. Father, in the name of Jesus, we repent for having an intellectual knowledge of you but truly not knowing your ways.

Father, forgive us for the spiritual arrogance this has created, operating out of our intellect versus out of your spirit. Honoring you with our lips, but our hearts are far from you. Father, we repent for aiding the kingdom of darkness and committing spiritual treason by having escapism mentality; For taking ourselves out of the fight and for influencing and leading others astray down the same path. Father, in the name of Jesus, we repent for having a spirit of cowardice, always taking the defensive posture and not going on the offensive, when you gave us all the power over all of the enemy. Father, we decree and declare this day, that as Your army, we will go on the offensive from this day forward, no longer in retreat, but taking the fight to the enemy.

Father, we repent for taking ground for Your kingdom but not leaving anything in place to hold that ground, allowing the enemy to come back seven fold worse. Working harder for the ground we freely gave away. Father, we decree and declare this day, we will take ground for the Kingdom of God and hold that ground at all cost. Father, we repent for not disciplining people and the next generation to hold that ground we have taken and to continue to fight. Father, we ask in the name of Jesus, that you would give us a spirit of courage and boldness with intensity never seen in the history of mankind. To take back this country and this earth for your kingdom. Lord Jesus, You said we would not only do the

things that You did but even greater things we should do. Father, we decree and declare the time is now for this to take place. We ask for greater power and authority to do the things you've called us to do in these end times.

Father, in the name of Jesus, as your people, we repent for not being the spiritual and moral compass that you've called us to be, for this country, and the entire world. Father, we repent for being more concerned about the four walls of our churches versus the congregations and the lost. Father, we repent for being more concerned about being politically correct versus being Truth seekers and Truth speakers.

Father, we repent for walking in the fear of man versus the fear of God. Father, we repent for staying inside the four walls of a building and not taking your gospel to the streets and bringing in a harvest that's ready to be gathered. Father, we repent for allowing defilement in our pulpits. Father, we repent for allowing free masonry and homosexuality into our pulpits and allowing their influence into Your Church. We repent for allowing immorality into our pulpits and influence into our congregations. We repent of an abortion rate being the same in Your House of prayer as it is in the world. We repent of having a slave mentality; forgive us for not governing instead of wanting to be governed over.

Father, we repent for staying silent while prayer was taken out of schools and allowing the enemy to come into our education system. Father, we repent for staying silent while Roe v. Wade was passed. Father, we repent on behalf of the body of Christ, the American people, the leadership, and the land for the atrocity called abortion. Father, we repent for allowing these aborted babies to become the food source for Baal, allowing Baal to become the strong man over America. Father, we repent on behalf of the people, the leadership, and the land, for the child sacrifices, pedophilia, and the child sex trafficking taking place on our watch. Father we repent for the murdering of our prophets and saints and being drunk on the blood of the prophets and the blood of the saints.

Father we repent for sacrificing your people on the altar of mammon because we're more interested in money, big fine homes and cars versus the sanctity of life, speaking out on issues that matter to you, Lord. Father, I now ask that the spirit of the fear of the Lord would come over your people now. And You would bring Your people to everlasting fear and awe of you. Father, we repent for cursing your America saying She should burn when you wish that none would perish. Father, we repent for not speaking life into your America to complete Her destiny. So Father, as we move into target focused prayer we ask You would remember the good things that Your America has done from the spreading of Your gospel throughout the earth to the blood being spilled on foreign soil, liberating countries so Your gospel could flow. America has never received Her harvest so we decree and declare that America's harvest is here now. You said America's harvest would come back to sevenfold what the enemy has stolen. We decree America's seven-fold return is here now.

Father, you said America would be the hub which the end time harvest would be launched to free the spiritually oppressed people of the earth. We decree and declare that will be done to bring in over one billion souls into the kingdom of God. We pray for the leadership of this country, the army and people of this country that a fresh habitation of your spirit would fall. Hover and brood over us. Father, we decree and declare that as the Holy Spirit habitation takes place that your America, on all levels, will be turned back to you. Father we pray for and bless President Trump and His administration. We ask you would give him a seven-fold spirit to operate in, a spirit of the Lord, wisdom, revelation, counsel, might, knowledge, and the fear of the Lord. Father, we ask for your protection around President Trump and His family. We cover them with the blood of Jesus, a wall of fire with your glory in the center of it. No voodoo, hex, vex, no power, no principality and no demon in hell can penetrate. Your hand is upon this President. We decree and declare that He will not be impeached, assassinated or harmed in any way, and no weapon formed against him or his family will prosper. Father, in the name of Jesus, we decree and declare that America will complete Her destiny that you have given Her.

Father, in the name of Jesus, we ask you would release your protecting angels to surround America. That they would stand shoulder to shoulder so no evil can penetrate. Father, we ask that America would be protected from Her enemies, foreign and domestic. Father, in the name of Jesus, we ask that you would expose any and all corruption and all levels of

leadership in government and in Your house. That those who were corrupt would be removed. Father, we ask that your divine justice would be carried out against any and all corruption. You said judgment starts in the house of the Lord. We ask you separate the wheat from the chaff. Separate your true body from the counterfeit, Lord.

Father, we decree and declare that America will prosper like never before so your end time harvest can begin. Father, in the name of Jesus, we ask you cleanse any and all defilement off your people and this land. Father, the innocent blood on the hands of your people, we ask you would now cleanse us and your land in the powerful name of Jesus. We ask your blood would wash us, cleanse us, and purify us, Lord. Father, we have soiled garments. We ask that you would bring us to that place of being a spotless bride you have called us to be. Father, we ask as we enter into this end time harvest that you would bring in the harvesters. Father, we ask you would give your true army the warrior mindset, never giving up, taking the fight to the enemy.

Father, we ask you increase the discernment, power and authority to a level that's never been seen in all of history, so that we can bring glory not to ourselves but to you and you alone, Lord Jesus. Father, we pray for and bless Israel. We ask that the relationship between Israel and America would be stronger than ever. Father, we ask you protect Israel from all her enemies foreign and domestic and she would prosper like never before. Father, we pray for the peace of Jerusalem and we ask that Holy Spirit habitation would come to Israel. Father, we pray for and bless prime minister Benjamin Netanyahu, protect him and his family, Lord. Give He and His administration a seven-fold spirit to govern Israel. Father, we ask that divine exposure and justice would come to those whose agenda is for America, President Trump, and Israel. Father, we pray for the news media, that the corruption would be exposed and removed. That the spirit of truth would begin to flow.

Father, we pray for the Supreme Court, that you would reform your court and your judicial system. And we decree and we declare that this case called, row versus wade, will be overturned. Father, we thank you for stopping the enemy's time line and placing us back on to yours. Father, we know the earth is moaning and groaning for the sons and daughters of God to come forth. So, in the name of Jesus, we command the army of God to arise and take Her place, for there's no more time to waste. Father, you are supreme commander and we are the army of God, heaven's invading forces. We decree and we declare we will overtake and terminate demonic tyranny over the spiritually oppressed people of this earth. Now is the time. We decree and declare that we will march together in unity, to victory and the victory is ours. In Jesus' name we pray, Amen.
